

# GRSI Liability Form

To Whomever might concern,

I, Alessio Arleo, first and corresponding author of the paper “Influence Maximization with Visual Analytics”, and owner of its code repository, I hereby authorize the reproducibility committee and reviewers to review the code and advertise the review publicly after the stamp is approved.

I certify that the other co-authors are aware of this initiative and gave their consent for submitting this code to the reproducibility committee for the replicability stamp approval.
